

TEHREEM KHAN

Frontend developer

About Me

I am a passionate Frontend and MERN Stack Developer with expertise in building responsive, user-friendly, and dynamic web applications. Skilled in HTML, CSS, JavaScript, React.js, Node.js, Express.js, and MongoDB, I enjoy creating modern, efficient, and scalable solutions. With a strong eye for design and functionality, I focus on delivering seamless user experiences and clean, maintainable code. I am eager to contribute my skills to challenging projects and grow as a professional developer.
